“At the start of the half-term holidays, I had the pleasure and honour of attending the Alducation’25 AI conference in Bucharest on behalf of [Mindjoy](#). Sponsored by the [British Romanian Chamber of Commerce](#), the event was held at the [Cambridge School of Bucharest](#) and is the brainchild of bestselling author on AI in Education, International School Leader, holder of infinite other roles and general all round good-guy, [Matthew Wemyss](#).
