

THE WEEKLY BULLETIN

MOON HALL SCHOOL, REIGATE

8TH MARCH 2019

Dear Friends and Families of Moon Hall School Reigate,

SOME VERY EXCITING and GOOD NEWS TO SHARE!

This week in Assembly we celebrated World Book Day. Junior pupils came into school dressed as their favourite book character – as usual the Junior pupils did not fail to disappoint! As you will see we had some fabulous outfits – thank you to the parents who also supported this event by supplying their costumes.

We have **two lovely pieces of exciting news this week** to announce to parents. I know staff appreciated and welcomed this positive news and I hope that as parents you will also share our feelings on this.

A New Sensory/ Quiet room

I approached our chair of FOMHSR with the suggestion that the team support a Sensory/Quiet Room in the school. I explained how we have a number of pupils here at school who on occasions suffer with anxiety or simply just need that quiet space in the school to have a bit of a breather and time to themselves. Ideally the sensory room would be redecorated and kitted out with bubble tubes, music, soft canopies, bean bags, aromatherapy oils, blankets, rugs and lava lamps.

MOON HALL SCHOOL, REIGATE

8TH MARCH 2019

To conclude, when Anne Baker put this to her team, a member of her team immediately decided to donate £500 to have this put in place, another £200 was donated after this by a member of our school staff!

The parent donor has requested to remain anonymous; however I would like to reach out to that person to say that this is exactly the pick-me-up the pupils and staff need just now. I very much value and appreciate the kind gesture that you have made and I know it will be used by many here at the school; a very heartfelt and warm *thank you* for your kindness.

Above is an image of something similar if you have never seen a sensory room before to give you an idea.

Celebrity Visitor to Moon Hall School Reigate

Secondly, **Dr Hilary Jones** who you may know from Good Morning Britain on ITV will be visiting the school to meet with our pupils on **Friday 22nd March**. He began presenting educational medical TV programmes for British Medical TV in 1986. In 1989 Dr. Hilary Jones joined the most successful TV breakfast station ever, TVAM. He and Lorraine Kelly were the first presenters to be signed up by GMTV when it won the breakfast franchise in 1993. He is now the Health Editor for ITV Breakfast television and regularly appears on Good Morning Britain.

A full schedule of the day will be published to parents in due course and I am hoping there may be time in his day where parents may also be able to attend- **please watch this space!**

Kind wishes for a lovely weekend

Michelle Catterson

Sports Results

MHSR Senior Hockey 3 – 2 More House

Player of the match – Joshua G

MSHR Year 9 Netball 12 – 7 Duke of Kent

Player of the match – Isobel C

Mrs Edwards reports that all the girls played with determination and our netball team managed to score 7 goals in the last quarter to take the lead. Mr Cattnach was also delighted with the strong performances of all our senior hockey boys. Well done to both teams!

Cross Country Success

On Monday 25th February some of our Junior pupils took part in the Cross Country competition at Warlingham Park School. There were a total of eighteen schools competing and Bella W was our only pupil to run in the under-11s mixed race. Mr Cattnach reports that although Bella was the youngest and smallest competitor in this category, she finished the race very comfortably, and out of the 90 competing runners Bella finished in an amazing 10th place! An outstanding performance – very well done, Bella!

Updates from the FOMHSR

MUGA Fundraising

You may remember that last half term the Year 9 students held a Cake Sale at the school. The final figure for the Year 9 Cake Sale was an incredible £500! Wow, thank you so much to all the pupils & parents who contributed and donated. Also a huge thanks for the matched funding, which made Year 9's sale twice as profitable!! What a great contribution towards our MUGA fund - the pupils are

showing us the lead in fundraising - they are determined to have their all-weather pitch! A massive thank you as well to everyone who supported the World Book Day Mufti this week; with your support we raised an amazing further £107 towards our MUGA fund.

Tuesday's Walk and Breakfast

Thanks to everyone who joined us on our social dog/no dog amble on Tuesday morning. The weather was so kind! The sun came out and even though we managed to collect a generous coating of mud on dogs & boots, we all agreed it was a really fantastic way to start the day.

Halfway round we enjoyed a breakfast break and Sarah at the Plough knocked up some excellent omelettes and breakfast baps. After recharging our batteries we made our way back to the school. I'm already looking forward to the next walk - a great way to exercise without even realising it :-)

If you didn't make it this time, look out for the next opportunity - as usual, we'll put the date up on the Classlist Event Page.

Next Social Event Booked: Parents Social Drinks Thurs 28th March, 7.30 pm, Arkle Manor, Betchworth EVERYONE WELCOME - Please RSVP on the Classlist Event Page. Full details on the next page.

Thanks, FOMHSR
